

(last 5bunches/ first 55 bunches)*(55/5)*100

Each detectors for BLUE

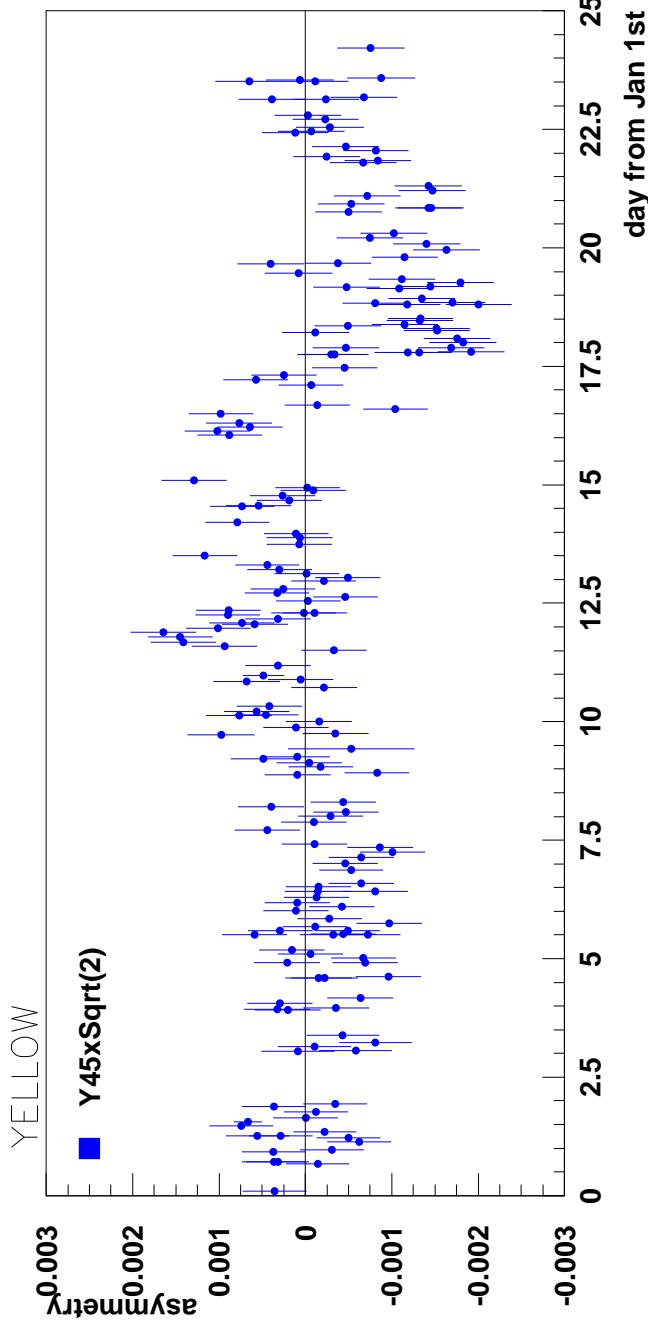

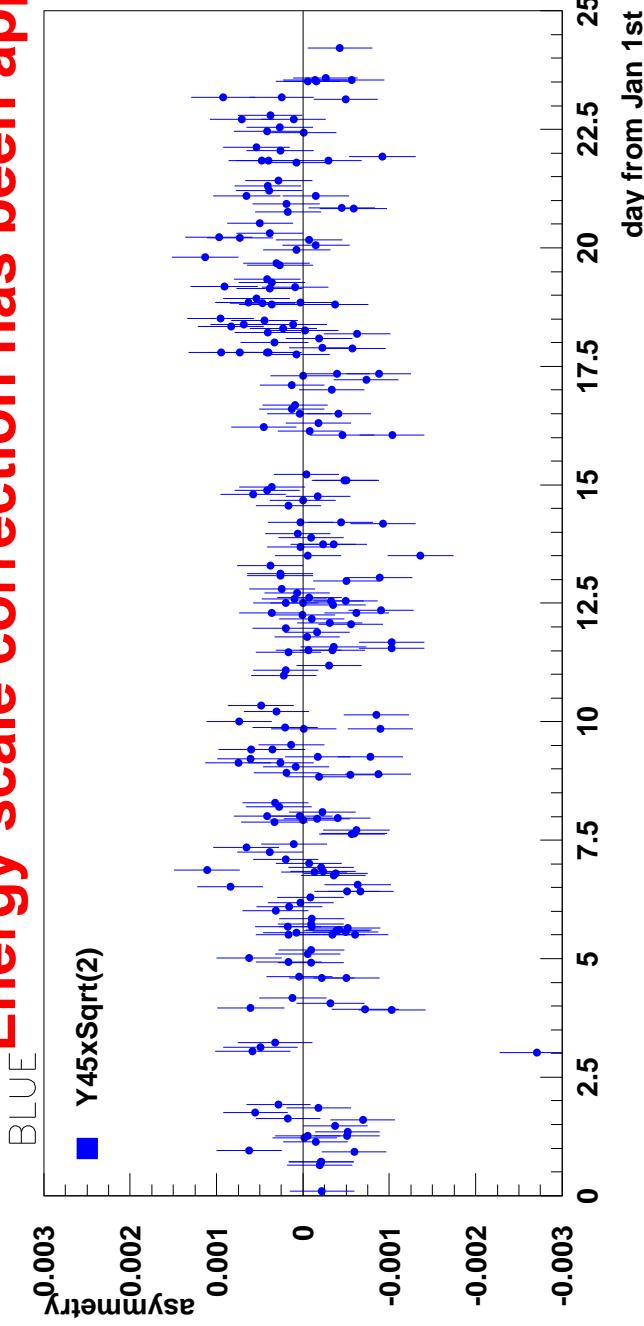

Each detectors for YELL

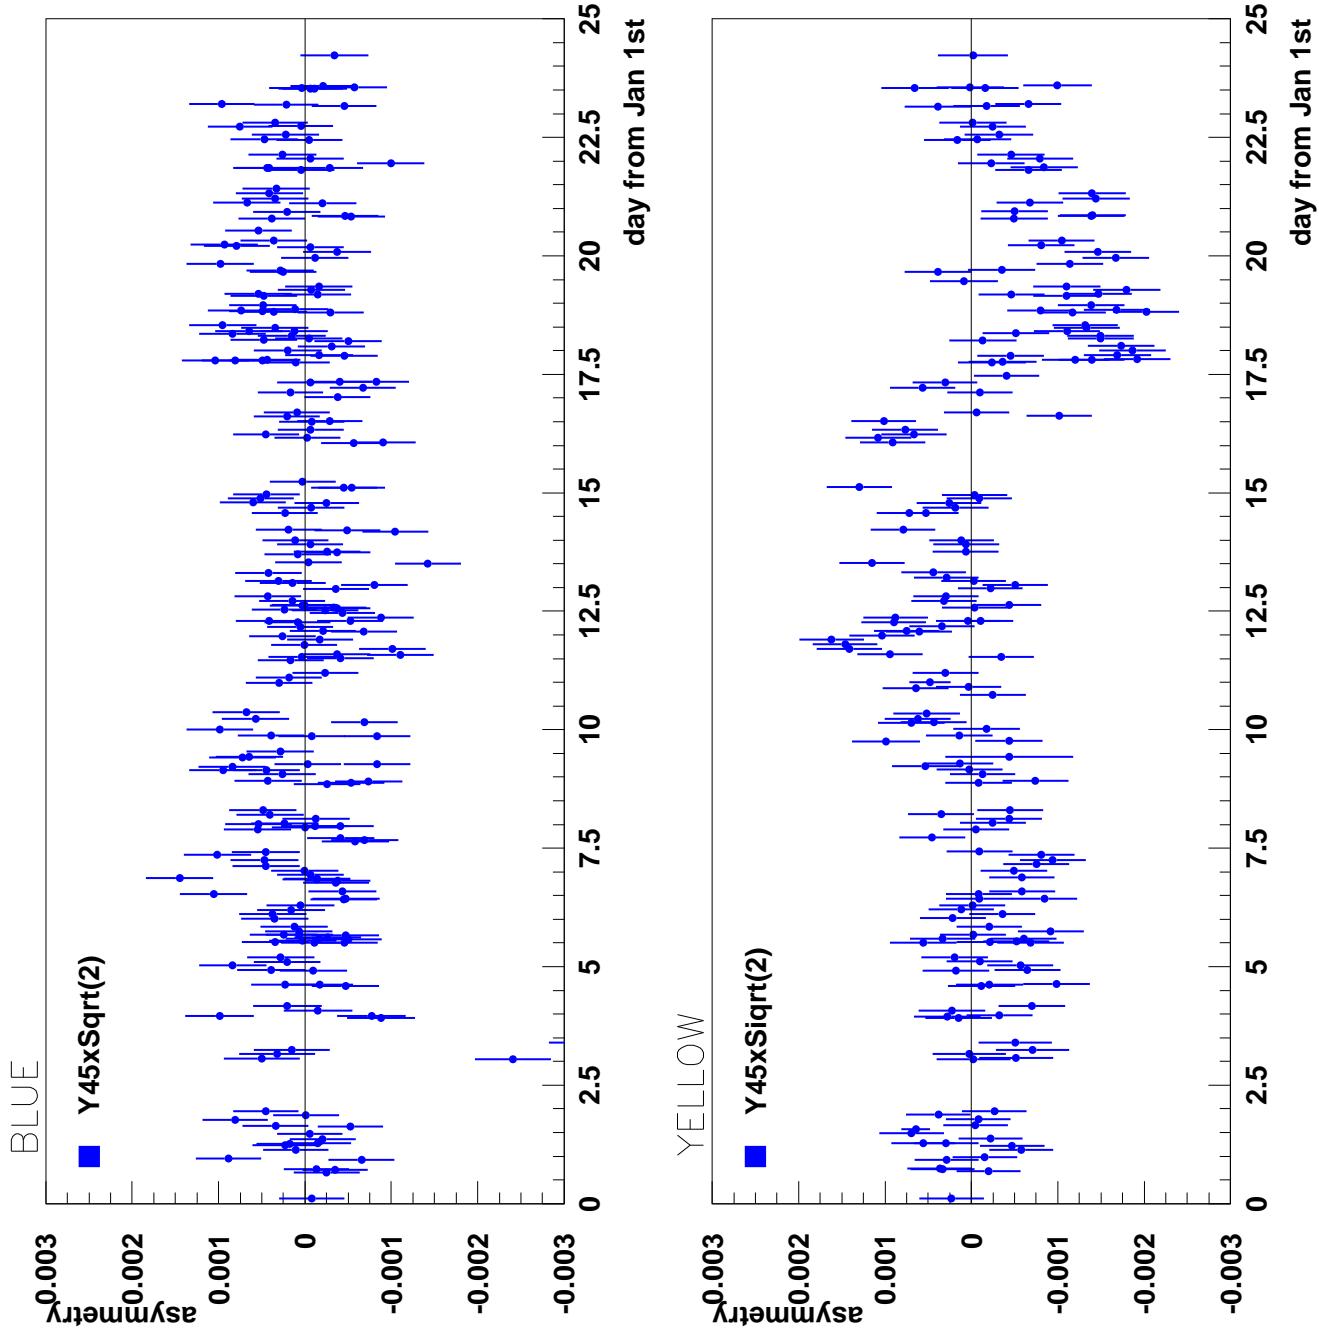

Without strip selection.

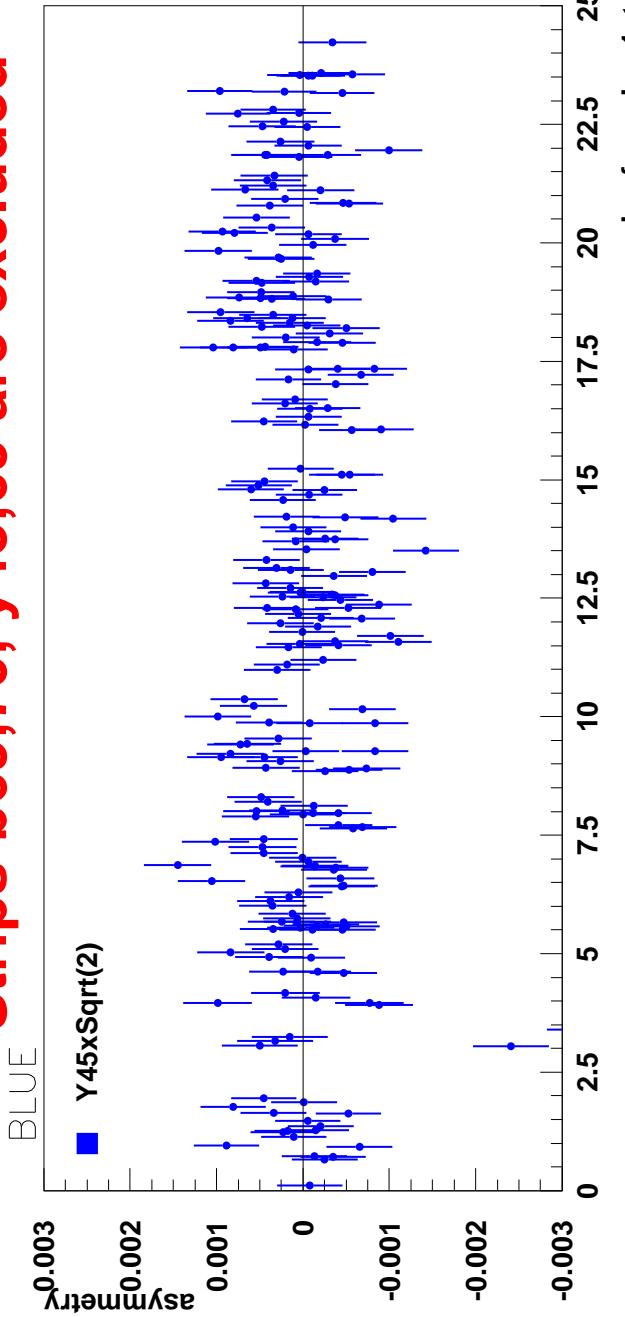

Energy scale correction has been applied.

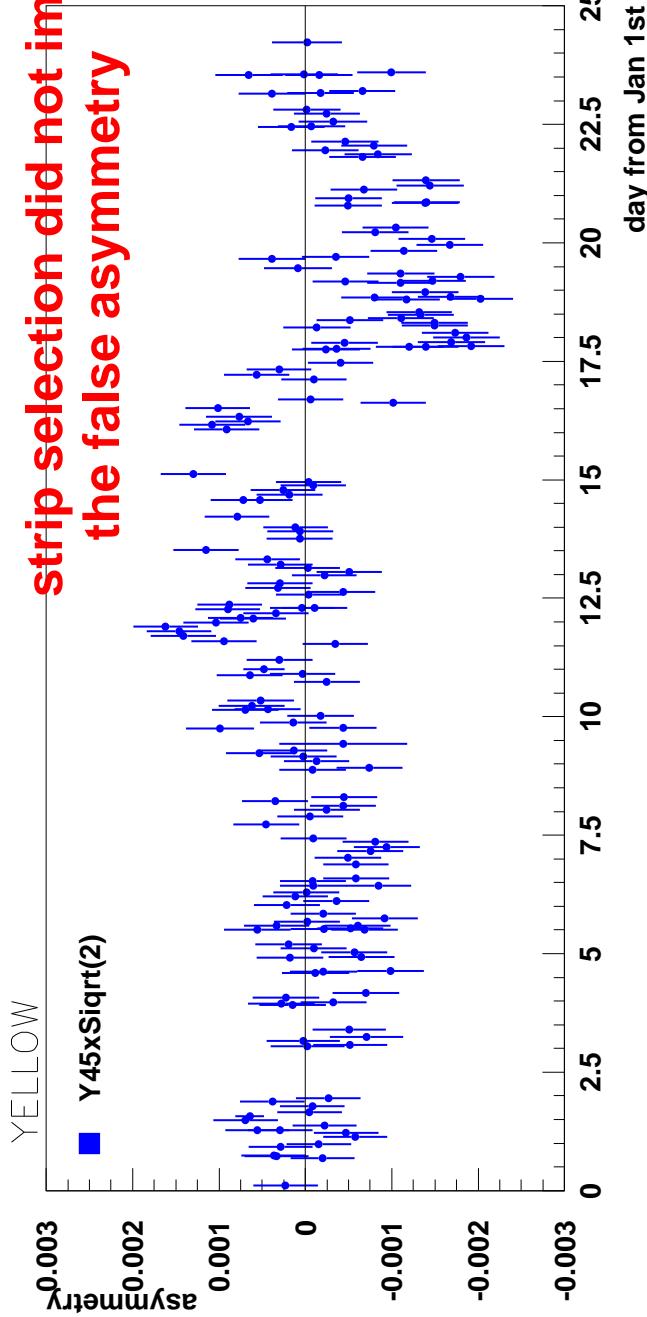

Strips-b69, y45 are excluded

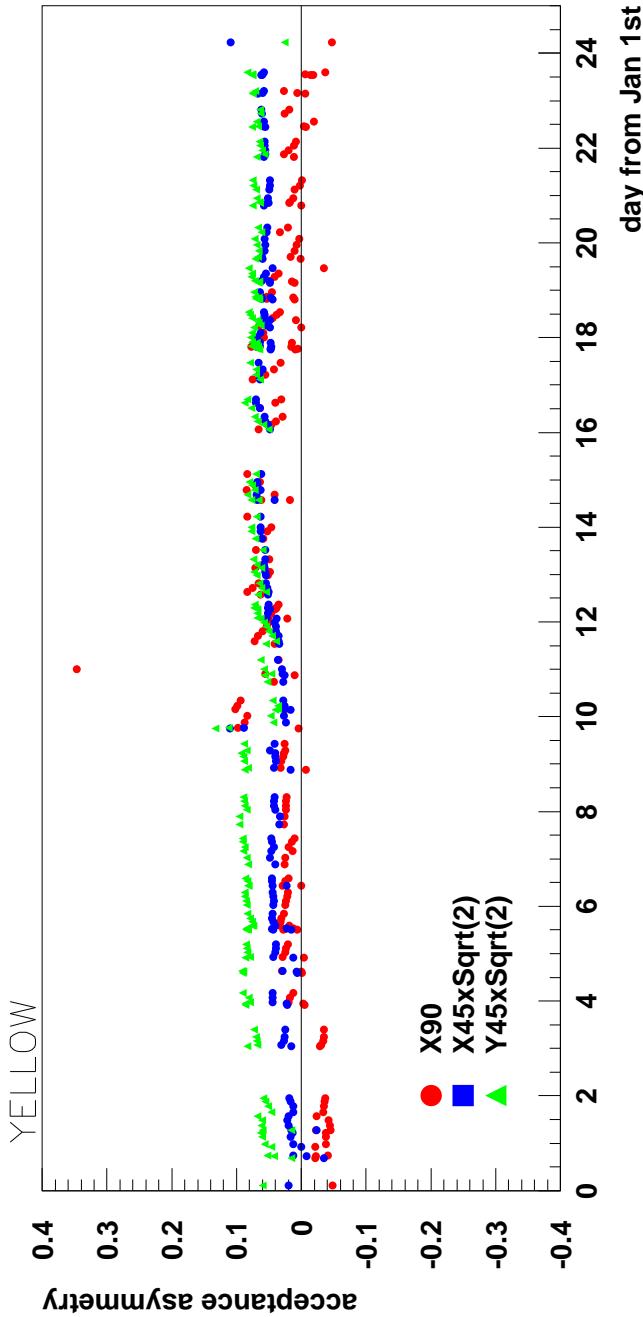

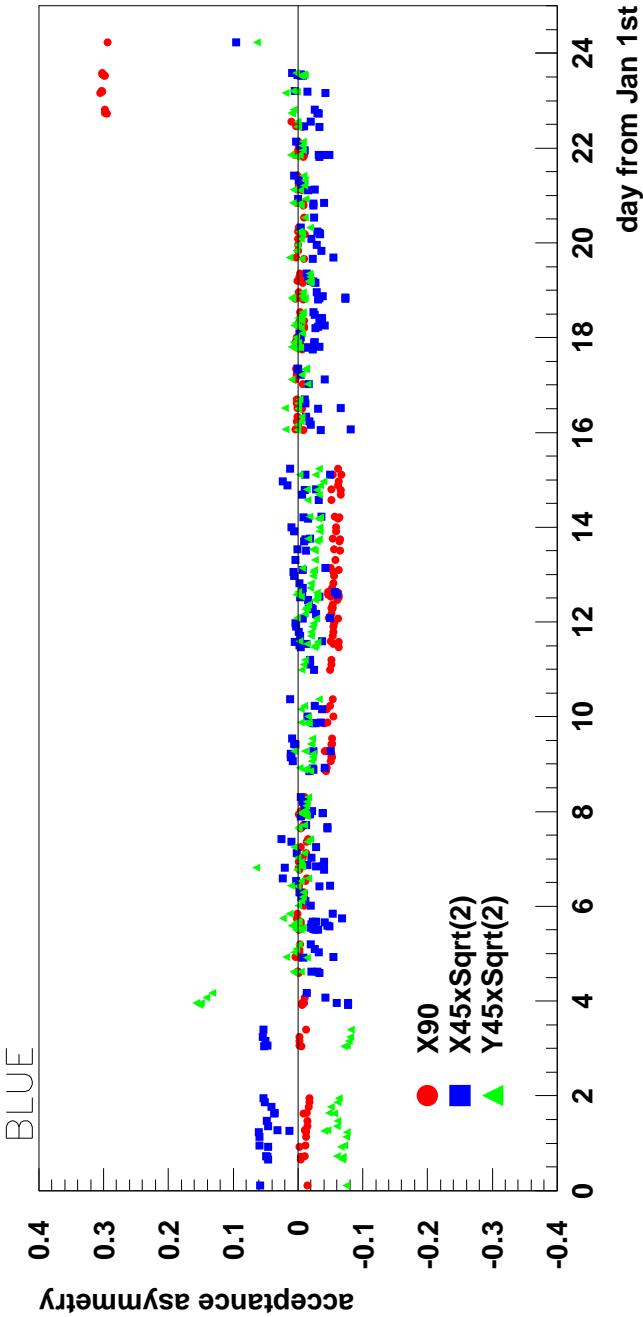

Strips-b69,70, y45,69 are excluded

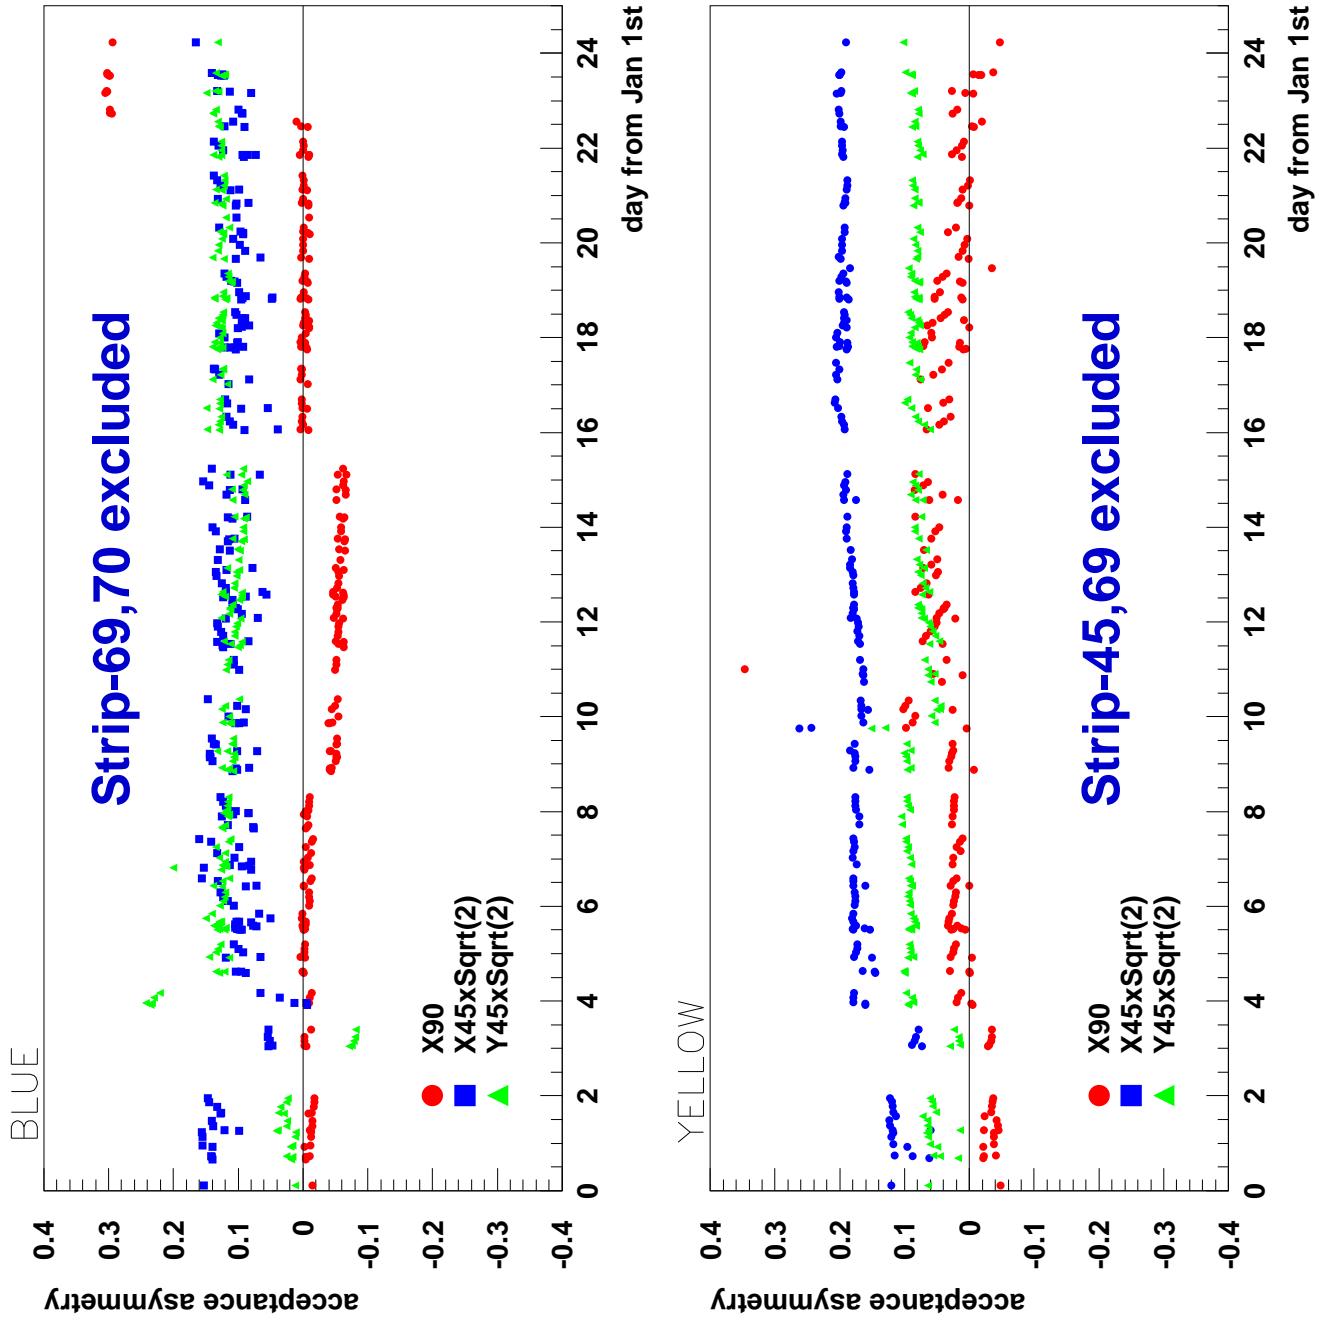

strip selection did not improve
the false asymmetry

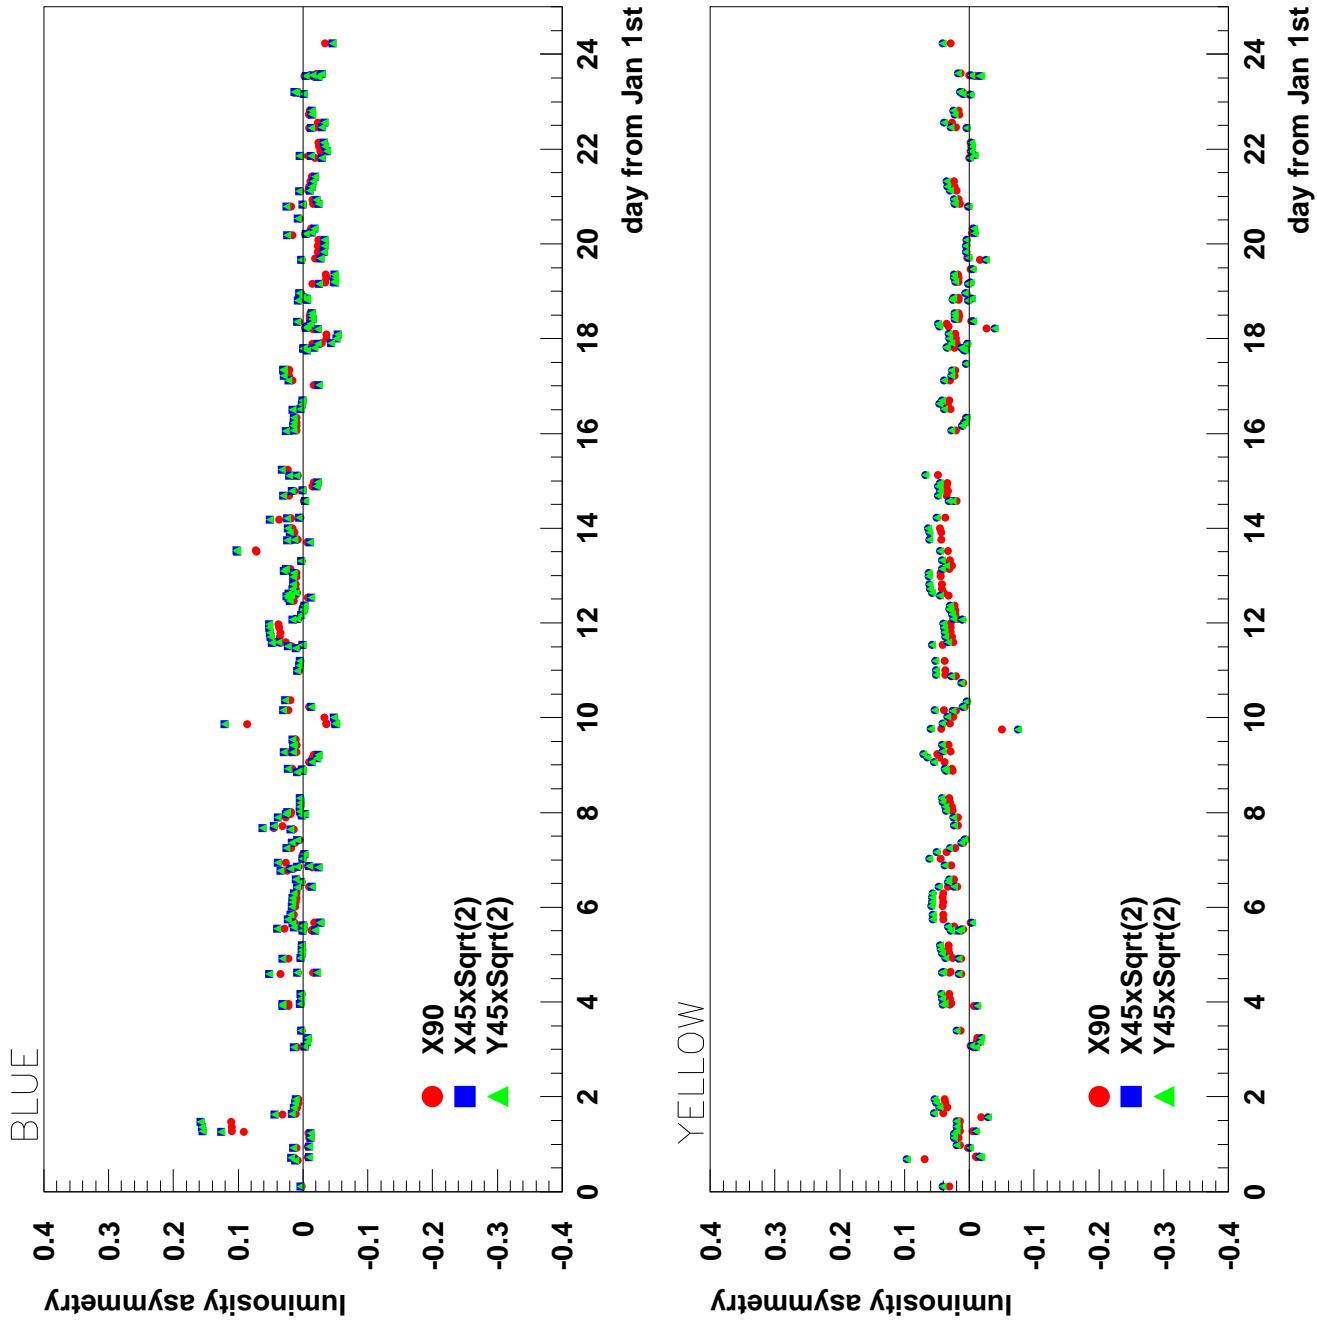

Acceptance asymmetry before strip selection

Acceptance asymmetry after exclusion of strips

Luminosity asymmetry for no strip selection

Typical run (#734 fill-2244 1/17/02)
